STUDY **BIOLOGY IN CHINA: MAYMESTER 2015**!

- Come join us as we go to Southwest Jiaotong University in Chengdu, China!
- We are offering a 3-credit hour course entitled Frontiers in Biotechnology (BIOL 4930/6930) focused on bioconversion and synthetic biology
- We will spend 15 days studying science together with students from SWJTU and also learning about the culture and society of China!

- Course dates: May 19, 2015 – June 3, 2015
- Cost of the trip: $1,350 + airfare/visa/passport + tuition
- Prerequisite: BIOL 2108 + GPA ≥ 3.0
- Please visit GSU Study Abroad website for application: [www.gsu.edu/studyabroad](http://www.gsu.edu/studyabroad)
- Applications due: Feb 3, 2015. Taking applications now; course may fill earlier
- contact Dr. Eric Gilbert ([esgilbert@gsu.edu](mailto:esgilbert@gsu.edu)) for any questions
